

Breaking News!!

Kendi Coutant – PTA President

*

Joining the PTA TAKES NO TIME!

That's right! You can join the PTA and support Apex Elementary in just the time it takes to fill out the brief form below and write your check.

- You're not required to attend meetings!
- No volunteer requirements!
- Joining is the quickest, easiest way to support Apex Elementary!

Why should I join?

PTA gets results. Studies show that kids do better when parents are involved. Test scores increase. Attendance improves. PTA keeps parents involved. Strong schools mean stronger communities, which benefits all of us.

Also, it's one more way to support all the wonderful programs that our 2007 Parent Survey showed that you and your student feel make Apex Elementary a special place to learn, like AR (Accelerated Reader), Science Spectacular, Visiting Author, etc. A small portion of your contribution (\$2.75) pays for county, state, and national dues. **The rest stays in our school to support our programs.**

You will receive the 2007-8 School Directory with your membership. Look for other exciting membership incentives when you join.

How do I join?

Please print and detach the form below and return it to your child's homeroom teacher identified as PTA Membership. Make the check payable to Apex Elementary PTA. All dues are tax deductible.
